To Whom it May Concern:

This letter is to voice my opinion on the proposed changes to the Child Support Formula in the State of Michigan. I feel that in my case, which I support 3 children from 2 marriages, it will come as a relief, I carry the Health care on all 3, and the cost of health care is skyrocketing, I have never missed a payment in 12 years and when my health care goes up what relief do I have???? I know this may end up as a fight about holding back visitation, so the Mother's out there can save a buck or two, but the costs of raising children vary, I myself have my children from my last marriage quite often, and why shouldn't I get a break?? I feed them and clothe them too!!, pay for child care when I work.

In closing all I can say is it's about time!!!!

Respectfully,
